D.C. Public Schools' Opportunity Academies, a network of schools comprised of Ballou STAY, Luke C. Moore, Roosevelt STAY, and Washington Metropolitan High School, hope to change what it means to be an alternative school. By reimagining alternative school not as a place of detention and reform but as an opportunity for students, no matter their backgrounds, DCPS's Opportunity Academies will help students to self-actualize and excel. Taking advantage of **Summit Basecamp**, a premier personalized learning platform that allows students to take charge of their own learning, the Opportunity Academies are poised to bring alternative schools into the 21<sup>st</sup> century.
