The only public charter middle school to be located on a Historically Black College or University campus, Howard University Public Charter Middle School of Mathematics and Science [(MS)<sup>2</sup>] is uniquely positioned to provide students of color with both a highly rigorous education and the encouragement to become the problem-solvers of the 21<sup>st</sup> century. (MS)<sup>2</sup> uses technology to bring personalized learning to scale, allowing teachers to act as facilitators to constantly address students' critical learning needs. The tagline of (MS)<sup>2</sup> is "Choose the Extraordinary!" At this school, students strive to reach that level every day.
