

# MONUMENT ACADEMY

*Meeting the unique needs of students in foster care*

Ward 6

New start  
Opened Fall 2015

Charter

Grades served:  
5-6; ultimately 5-12

Monument Academy's mission is to provide students, particularly **those who have had or might have contact with the foster care system**, with the requisite **academic, social, emotional, and life skills to be successful in college, career, and community**. With individualized instruction and trauma-informed classroom management, Monument actively documents staff development and learnings in order to **create resources for others interested in working in this field**.

In high school, Monument will offer **career and technical education**—particularly in high-growth sectors such as information technology and healthcare—and will infuse daily schedules with opportunities for professional exposure and experience.
