

WHO ARE WE?

As an incubator for **excellent, equitable** schools in D.C., CityBridge searches locally and nationally to find leaders with the **vision, talent, and drive** to found new schools for students and families. We work with our entrepreneurs to bring to market the **next generation** of our city's public schools.

Our goal is to **radically improve the portfolio of schools** serving D.C.'s growing population of students. Our issue is supply: Too few great schools and tremendous unmet demand. Our new schools should produce results that lift performance and meet the varied needs of the city's families and students.

- » A habit of inclusiveness so that **every team member contributes** to achieving team goals.
