

2019 CityBridge Entrepreneur Fellowship

CityBridge is looking for 10–15 individuals or duos who want to design equitable and innovative school models to apply for a one-year Fellowship that will equip them with the tools, time, and resources to reimagine learning in Washington, D.C. Fellows will participate in workshops, travel to great schools across the country, and receive stipends to prototype their models. At the end, some Fellows will join CityBridge’s Incubator, which provides more intensive, tailored support to create new schools.

What We Provide

 Personalized coaching to support your design work	 Tools for applying the science of learning to school design
 Multi-day workshops to kindle cohort learning	 Training in user- and equity-centered design practices
